

## Sign Up Instructions for the Massachusetts Industrial/Municipal Wastewater Treatment Plant Operator Exam

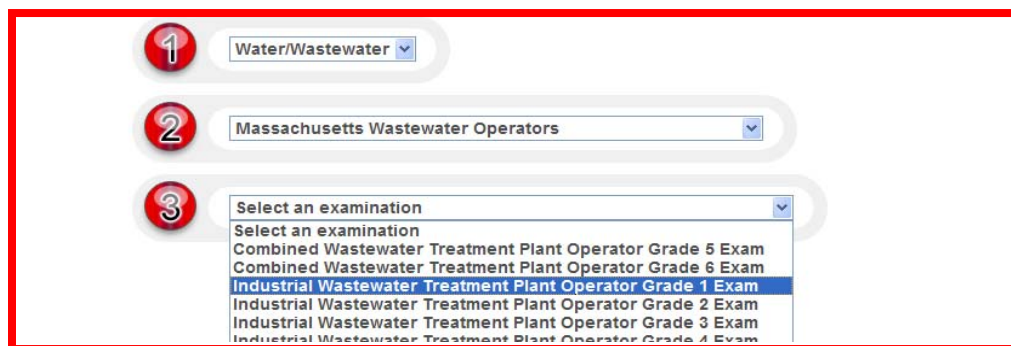

Note: These instructions have been prepared by Capaccio Environmental Engineering, Inc. to assist in navigating the process of registering for the Massachusetts Wastewater Treatment Plant Operator Exam. While we strive to deliver accurate and up-to-date information, we do not control the registration process or maintain the registration web site and therefore cannot be responsible for changes that may affect the following information.

### Instructions:

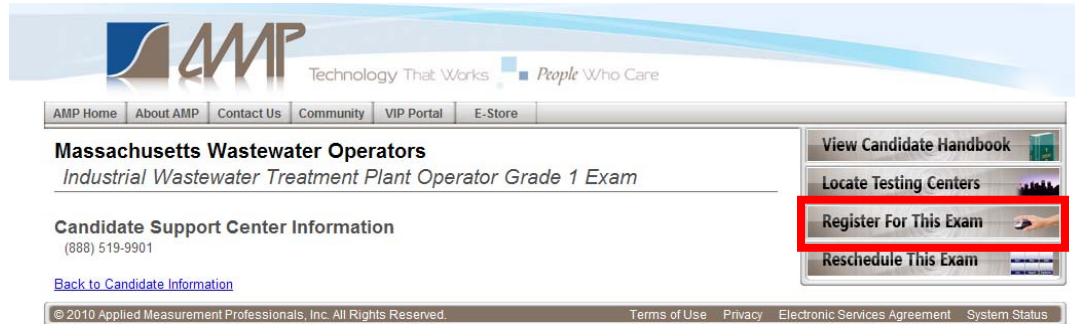

1. Visit the following website to begin the sign up process:  
[www.goamp.com](http://www.goamp.com)
2. On the top right corner of the page click on the tab labeled Candidates.

3. On the next page there will be three pull down menus:
  - a. For Menu 1 Category – Select Water/Wastewater
  - b. For Menu 2 Program – Select Mass. Wastewater Operators
  - c. For Menu 3 Examination – Select the exam you want to take  
Example: Industrial Wastewater Treatment Plant Operator Grade 1 Exam

4. On the right hand side of the next, click on the tab labeled Register For This Exam.

5. The next few pages will require you to fill in your personal information.
  - a. If you have already registered to take a previous exam through the website you should log in with your User Name: and Password:.
  - b. If you have forgotten your user name and/or password select the I forgot my User Name? or I forgot my Password? option.

A screenshot of the AMP login page, enclosed in a red border. The header is identical to the previous screenshot. The main content area is titled "Massachusetts Wastewater Operators" and "Industrial Wastewater Treatment Plant Operator Grade 1 Exam". Below the title, there are two input fields: "User Name:" and "Password:". Below these fields are two buttons: "Continue" and "Cancel". At the bottom left, there are three links: "I am a New User?", "I forgot my User Name?", and "I forgot my Password?".

6. Follow the steps on the next few pages to enter in your personal information and select a testing location, date and time.
7. Final Step: **Study and show up for the exam!**

### **Materials:**

The day of the test you should bring several #2 pencils, some blank paper, and a calculator such as the Texas Instruments TI-30X. The testing center may not allow the use of graphing calculators, such as the Texas Instruments TI-83.

The math formula sheet will be provided by the testing center.

If you have any questions please feel free to contact Capaccio Environmental Engineering at 508-970-0033.
